

Helping your Patient obtain Medical Equipment & Supplies

As your patient's caregiver, you provide vital ongoing assistance with their activities of daily living.

Yours are the "extra set of eyes" that make sure your patient remains safe and comfortable at home.

During your next home visit, look for the following items. Their purchase will help your patient become more confident and independent while you are away:

AMBULATORY ITEMS

- Cane or Quad Cane
- Walker, Walker Skis & Basket
- Standard Wheelchair
- Transfer Wheelchair (folds & fits in the car)
- Electric Lift Chair
- Reacher

BED & BEDROOM SUPPLIES

- Hospital Bed & Safety Rails
- Mattress Pad & Fitted Sheets
- Trapeze to help get into/out of bed
- Overbed Table
- Eggcrate Mattress or Alternating Pressure Pad
- Neck, Wedge, and Foam Slant Pillows

BATHROOM ACCESSORIES

- Shower Chair
- Handheld Showerhead
- Raised Toilet Seat
- Commode
- Diapers, Skin Creams & Periwash
- Grab Bars

Our customer service staff will help you select products appropriate for your patient's needs. They'll discuss insurance coverage and payment options with the patient, then schedule delivery to the patient's home.
