**SERVICE**

Finding a trustworthy caregiver and an agency that understands your situation is no easy task. Consistently providing top quality home care results from our commitment to excellence – from the top of our organization to the very bottom.

At Accredited Nursing, our caregivers are truly exceptional... and our management team continues to set new industry standards for excellence.

*Congratulations to*

**Barry Berger, Accredited Founder and President**

2009 Recipient of the Lois C. Lillick Award presented by The California Association for Health Services at Home  
*"Honoring an individual who has made outstanding contributions to the continuing development of local, state and national home care associations."*

*Congratulations to*

**Neil Rotter, Vice President of Business Development**

2009 Recipient of H2 Marketing's Sales/Marketing Manager of the Year  
*"Marketing is not about talking and selling," stated Neil. "It is about understanding and listening to your clients, your referral sources and your community."*

Since 1980, Accredited has provided the finest quality home care services to the disabled, elderly and homebound, to help them remain safe and independent at home.

With no weekly minimum of hours, we can accommodate any request... from a weekly bath service to around-the-clock care.
