

Since 1980, Accredited has built a reputation for providing the finest attendant care at an affordable price. Our Nurses Aides and Companions have helped the disabled, elderly & homebound remain safe and independent in the comfort of their own homes. As a family owned business, our founders remain personally involved in the daily operations.

Through the years, we have grown to meet the medical needs of our patients. To ensure the finest quality home care, we continuously refine our programs. With offices in Los Angeles, San Fernando Valley, San Gabriel Valley, Orange County, and San Diego County, and a medical equipment & supply division, we offer the full range of home care services.
